

The **Loudon County Scholarship Fund** gives monetary awards to students who perform competitively before a panel of judges who are skilled musicians themselves. This program has awarded \$47,000 to

123 students since 1999. Winners are invited to perform at the April Music Brunch, at which time they receive their awards. Students audition in late January or early February, and applications are available at all schools in Loudon County.

Tax deductible contributions in the form of checks should be made out to **Tellico Village Community Concerts, Inc.** with a designation in the memo section directing the gift to the *Loudon County Fund*. Questions regarding contributions, the application process, or eligibility may be directed to Chris Swartz, (865) 458-4699.
