

The **Tellico Village Concert Committee's** purpose is to bring entertainment to Tellico Village and to promote music education in Loudon County. The Knoxville Symphony Orchestra presents a

concert in March each year with a guest performer being featured. In late fall, a concert of lighter music entertainment is given ranging from Broadway stars to duo pianists to brass quintets.

Scholarships are given to Loudon County students to pursue lessons, instrument purchases and band camps. The recipients of these scholarships are introduced at the spring concert and then perform at the Annual Spring Brunch which is held in their honor. Tickets are provided for these students to attend the concerts, also. We facilitate the visit of string quartets from the Knoxville Symphony Orchestra to Loudon County elementary schools each year.
