

Tellico Village Community Concerts

Bringing entertainment to Tellico Village
and promoting music education in Loudon County

Bonnie Nelson Music Scholarship

The Bonnie Nelson Music Scholarship is one of two scholarship programs sponsored by Tellico Village Community Concerts, Inc. It was established through the generosity of Bonnie's family and many friends and reflects Bonnie's fondness for both young people and music. Contributions from individuals who believe in its founding principles continue to financially support the program. The scholarship targets Loudon County students in grades six through ten who exhibit interest and determination in learning to play a musical instrument, or those who wish to pursue voice training. Scholarship awards may be directed toward private instrumental or voice lessons, rental or purchase of an instrument or, in instances where students have had some musical training and exhibit determination and skill at an appropriate level, a summer music camp experience.

Interested students are required to submit a fully completed **Student Application Form** and a written recommendation from a music teacher. The student's form must be completed and mailed to the scholarship committee by the deadline date. Please use the address listed below to submit the student application.

It is the responsibility of the student to give the Confidential Reference Form to the teacher who will supply the recommendation. The student should also give the teacher a **copy** of his/her completed student form and one of the return envelopes included in the packet. The teacher's recommendation is confidential and **should not be shared** with the student. **It is to be returned to the Committee by the teacher.** Teachers should use the same address—listed below—to submit the Confidential Reference Form.

The application period begins February 13, 2012, and ends March 26, 2012. Applications and recommendations must be postmarked by March 26, 2012, to be considered. Recipients will be notified by mail during the week of April 30, 2012.

Mail Completed Application Forms to: Nelson Music Scholarship
